

JAMIE FREEMAN

Jamie has been with *TC Delivers – Mail Solutions & Savings* since 1992 & is currently the Vice President of the company. Jamie's background includes front line, hands-on mail processing, market analysis, & business development. He is well suited to his current task of expanding the company's services while improving customer support to existing clients. Additionally, Jamie led his organization through the extraordinary economic obstacles, industry evolution & never-ending USPS policy fluctuations affecting the mail manufacturing & mailing business. He is a USPS certified Executive Mail Center Manager. Jamie is a graduate of the University of Mary Washington in Fredericksburg, VA with a BA in Philosophy. He is happily married & has two adult children.

Jamie has been active with various Postal Customer Councils (PCC) across the East Coast since getting into the mailing business & currently serves as Vice-Chair to the Executive Board & chairs the Membership Committee for the Central Florida PCC.

Jamie was elected in 2011 & continues to serve on the Executive Board of Directors to the National Association of Presort Mailers (NAPM). He is Co-chair of the NAPM Membership Committee & participates in the Strategic Planning Committee & Annual Conference Committee. In 2015 Jamie was chosen by the NAPM Board to represent the association on the USPS Mailers' Technical Advisory Committee (MTAC), composed of the major mailing associations & organizations working with the Postal Service to enhance the value of mail. He currently participates in User Group #8 USPS Promotions & regularly attends quarterly meetings with Executive Postal Management. Jamie was elected to the Airport Distribution Center Property Owner's Association Board of Directors in 2004 & currently serves as President.

TC Delivers has been in business for 67 years, growing from a commercial printer to an all-inclusive mailing services company. TC Delivers is one of the largest privately held mail processing companies in Florida with operations in Jacksonville, Orlando & Tampa. In 2021 TC Delivers expanded to Texas to serve their ever-expanding client base.

I am interested in serving you & the National Association of Presort Mailers (NAPM) for the following reasons:

- I will continue to prioritize the interests of the small & medium size Mail Service Provider (MSP) members of the association
- As membership co-chairperson, I will continue assisting with new member onboarding, finalizing our new association messaging for USPS, industry, OIG, PRC & legislature while focusing on new member marketing, member retention & ongoing outreach to former NAPM members
- I will proactively promote the interests of our membership at USPS Mailers' Technical Advisory Committee (MTAC) & strengthen relations with its USPS & industry representatives in the committee
- I will support NAPM's initiatives to position our members to remain a relevant, valued partner within the USPS' 10 year plan & operations/logistics changes
- I will continue to focus on developing & communicating the value proposition that the NAPM brings to the membership, USPS & mailing industry
- I have full support from my firm, TC Delivers – Mail Solutions & Savings
